Subscriptions

Indoor subscriptions will be maintained at £32 for 2021/22 (£16 for U18s).

Thank you to those members who paid their membership last year. In view of the limited bowling opportunities in 2020/21 your Management Committee has decided to offset any subscription paid last year against 2021/22 membership.

Each member will receive an invoice and, if applicable, this will reflect any credit applied in respect of 2020/21.

Tokens

The blue tokens that were used to pay rink fees last year will continue for the 2021-22 season and beyond.

Tokens are available to purchase from behind the bar; from Clive Vaughan and John Brown for social bowlers; from our Club Manager, whose times at the club have yet to be decided but will be communicated to you when finalised.

Indoor Arrangements

This season all five rinks will be back in operation.

As for last season the FANS must be turned on when play is in progress. The switch for the Fans is located under the main rink light switches.

Footwear and Indoor Carpet

Grit is being found on the indoor carpet. A reminder please that NO outdoor shoes are allowed when using the indoor rinks; bowling shoes, that you change into in the hall, must be worn.

Below is a list of the team captains for 2021/22, please let them know if you are keen to be part of any team competition squad. A trial day will be set up for those interested before the main competitions start.

**New Club
Manager
announced**

For those of you that did not attend the recent AGM, the management team has taken the decision to appoint a part time manager to help us to run and develop the Club. We are delighted to confirm that Scott Edwards has been appointed to fill this role and that Scott will start working for Westlecot on 6th September.

Scott will be around to get to know you all during the winter season

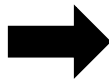

On your return to the Club you will see Fire Action notices have appeared. Please make yourself familiar with the content of these and that the muster point if the alarm goes off is in the car park by the far flag pole.

We will be holding regular fire alarm tests so be prepared.

FIRE!!
